	<ul style="list-style-type: none"> Resided in DPRK and conducted interviews with recipient households of USAID food program 		
Statistical Consultant	Statistical Consulting Service	Ohio State University	2007-8
	<ul style="list-style-type: none"> Consulted with OSU faculty & students on research design, statistical analysis, and analytical software 		

Publications & Works in progress

2020. Dissertation. *Nomination Patronage in Democratic Party Politics: South Korea and Taiwan*

- Clientelistic exchange of nominations in S. Korean political parties are examined as a case of patrimonial authority within a legal-rational bureaucracy. This study conceptualizes patronage in bureaucracies, proposes measures, and uses these to examine patterns of patronage in Korean party politics.
- authority within a legal-rational bureaucracy. This study conceptualizes patronage in bureaucracies, proposes measures, and uses these to examine patterns of patronage in Korean party politics.

2018. *Prisoner's Dilemma of Movement Nationalization: North Korean Human Rights in South Korea, 1990-2016*. In Yeo, A. and Chubb, D. (Ed.). *North Korean Human Rights: Activists and Networks*. Cambridge University Press.

2014. (Review) *After the Crossroads: Neo-liberal Globalization, Democratic Transition, and Progressive Urban Community Activism in South Korea* by Kwang-Hyung Park. *Korean Studies Reviews*.

2010. (Review) *Famine in North Korea: Markets, Aid, and Reform*. *Korean Studies* 34: 159-164.

Article in progress. Shifting Bureaucratic Bases in Personalist Regimes: Succession Politics in DPRK, 1994-2014

- Career transition networks of elite North Korean officials reveal shifting status relations between government, party, and military during two periods of leadership succession, 1994-2014.

Article in progress. Rotating Frames: Three Pivots in the Popular Perception of South Korean Minorities, 1990-2014

- A semantic network analysis of minority categories co-occurring in SK print media, 1990-2014, reveals four epochs of discourse during which framing of minorities shifts from ethnic to civic to both.
